

Part No. PPM911-1741-10

Fuel Filter Log Installation

SOLID END
OF FILTER

FLOW DIRECTION →

FUEL FILTER ASSEMBLY WITH PAPER ELEMENT

TO
FUEL PUMP

Fuel Filter (PPM911-1741-10) utilizes
-10AN fittings.

We highly recommend that all installation
be performed by a professional.

Optional mounting bracket available
(part no. PPM911-1741-FC)

We recommend the use of anti-seize,
threads occasionally will corrode.

JUST BUILT BETTER.
MADE IN USA
